

ANIMAL CRUELTY AND NEGLECT REPORTING

DO's and DO NOT's

DO call 911 and/or Pima Animal Care Center immediately (520.724.5900). Request that an officer be sent to the scene.

- **Calling 911 immediately, from the scene/area, will allow your call to be routed to the correct department and will establish a timeline. Situations can change quickly, so timing is important.**

DO provide as many details as possible

DO NOT share the story or any photos on social media or with the local media.

- **We know that you want to stop abuse, but spotlighting it on social media or releasing information to media outlets may hinder an investigation and even prosecution.**

DO NOT alter any potential crime scene or anything that **could** be evidence.

- **Altering any potential crime scene or evidence could result in the loss of important information for trial. This means animal victims do not get the justice we want and that they deserve .**
